

Dear Hunter,

Thank you for choosing TransPak International Inc. as your Customhouse Broker. We provide the most efficient clearance process through U.S. Customs and Border Protection, U.S. Fish & Wildlife and other government agencies involved. We also arrange delivery to the destination.

U.S. Customs and Border Protection requires an invoice, packing list and air waybill (or ocean bill of lading) plus any supporting documentation that pertains to the commodity (your hunting trophies) being imported into the United States.

U.S. Fish & Wildlife requires invoice, packing list original CITES permits and other U.S. or foreign permits. Also any veterinary or health certificates will benefit with the expediting of the release.

U.S. CBP Agriculture Services will review all entries of trophies to determine if any species are restricted. Restricted species must go to an APPROVED Taxidermist or Tannery to assure compliance with the Agriculture (USDA) regulations.

The approved and recommended facility is:
